

MOIRA PLACE

THE MESSENGER

April 2025

A MESSAGE FROM OUR ADMINISTRATOR

On Friday April 11th at 3pm, we will recognize our volunteers with a celebration of their effort, time and dedication in the enhancement of our residents' lives. We will have a "Busy Bees" theme this year for our celebration. Our invitations have gone out to our incredible volunteers. Over the course of 2024, volunteers put in 2,625 hours, volunteering with us. This is an incredibly impressive amount of time spent that speaks to the quality of our volunteer program and the dedication and devotion that individuals have shown toward both our resident population and Moira Place as a whole.

When we volunteer, we are helping others by giving our time and resources. People volunteer for many reasons and in many different capacities. It may be to support a cause they are passionate about or personally connected to or to engage in their community. We often volunteer to help groups or individuals who need it the most. We volunteer because it makes a difference. The next time that you see someone volunteering in our Home, please take a moment to thank them for their efforts, as we all benefit from this thoughtful act of giving. This increases quality of life for our residents and Moira Place as a Home of choice for people in the area.

As mentioned in our March 2025 Newsletter, our 10th Annual Easter Egg Hunt will take place on April 19th, which is a little later than last years hunt. If you are able to come out, we hope that you have a great time, and we look forward to planning our 11th in 2026!

Volunteer Appreciation

Moira Place has a fabulous group of volunteers who regularly share their time and talents with the home and for that we say:

National Volunteer Week occurs
April 14th-20th, 2024.

Our volunteers are very valued around the home. Currently, we have 25 active volunteers that put in around 200 hours monthly to the home and supporting our residents. We even have 16 active volunteer ran programs that residents look forward to regularly. We are very fortunate for our devoted volunteers.

If interested in Volunteer Services at Moira Place please contact our volunteer coordinator, Rachel at 613-478-5524.
